Theme: Take a Knee FOR PRAYER!

There has never been a time when prayer is more critical than now. We need to pray for all who serve. Prayer changes the world as it is the means by which the will of God is sought, discerned and the way of God is discovered!

- ❖ He is the acting Honorary Ambassador at Large for the Republic of Burundi, appointed by H.E. President Pierre Nkurunziza, and a Special Advisor to President Pierre Nkurunziza, President of Republic of Burundi Africa.
- ❖ He also serves as the acting Co-Chairman of the Congressional Prayer Conference of Washington, D.C., USA.

About AV National Day of Prayer Mayor's Prayer Breakfast:

- ❖ It is a privately sponsored and run annual effort to focus attention of men and women of faith to our unique responsibility to pray for all of our leaders.
- ❖ The Committee is a committed group of business-people and pastors dedicated to encouraging unified community prayer for our nation, state, county, and city.
